

## **CRESTWOOD BEHAVIORAL HEALTH INC. TESTIMONIALS**

*"I want to thank you for all you have done for Dylan. He has made remarkable progress and my husband and I can't thank you and the rest of the staff enough for the expert treatment and caring you have all provided. I am close to having the "old" Dylan back and am hopeful for his future thanks to all of you.*

*You are all to be admired for what you do and I don't know where we would be without your help and kindness. I know it can be a very thankless job at times but seeing the difference it has made in Dylan will perhaps provide a bit of a reward."*
